

Name: \_\_\_\_\_

Use the words in the list below to complete the sentence

Created on TheTeachersCorner.net Fill-in-the-Blank Maker

1. Femke's phobias of dogs may have been \_\_\_\_\_ if she \_\_\_\_\_ a dog which then barked in her face or \_\_\_\_\_ her meaning her behaviour (approaching the dog) would have been \_\_\_\_\_ and made less likely.

2. Femke's phobic behaviour may also have been \_\_\_\_\_ through the process of reinforcement meaning that she is \_\_\_\_\_ for avoiding dogs, e.g. her mother may have \_\_\_\_\_ her for \_\_\_\_\_ approaching strange dogs meaning Femke never learnt that dogs can be \_\_\_\_\_

3. Femke's friends offer her \_\_\_\_\_ and comfort and this acts as \_\_\_\_\_ meaning that her fearful behaviour (e.g. \_\_\_\_\_ becomes \_\_\_\_\_ likely when she sees a dog as she is \_\_\_\_\_ for it.

4. Femke has also \_\_\_\_\_ to \_\_\_\_\_ dogs by staying at home to work and shopping online as staying indoors helps her to avoid the uncomfortable feelings she has when she meets a dog meaning this behaviour is also \_\_\_\_\_ and made \_\_\_\_\_ likely.

5. Femke has also learnt that \_\_\_\_\_ herself from situations where dogs are present makes her feel \_\_\_\_\_ via the process of \_\_\_\_\_ reinforcement, stepping away and not confronting the dog means she feels more \_\_\_\_\_

support calm.
